

VOLUNTEER & DONATION OPPORTUNITIES

We offer volunteer opportunities in a variety of capacities.

No matter your skills or talents, we can use you!

Duties may include: filing, triage, answering phones, cleaning, fundraising, etc. All jobs need to be filled, whether you have two hours a week or just one day a month.

If you're busy, no problem!

Monetary donations are how we keep our doors open to meet the needs of our community.

No matter how you choose to serve, YOU reap the reward!

CHC

MISSION STATEMENT

The Community Health Clinic's mission is to provide basic health care, dental care, prescription assistance, advocacy, and education to the uninsured and underinsured residents of Hardin, LaRue, Meade, Breckinridge, & Grayson Counties in order to enhance access to health care in these five counties of the Commonwealth of Kentucky.

Medical Directors
William Handley, MD
and Syed Quadri, MD

Executive Director
Rebecca Farris Allen
RN, BSN, MBA

ELIGIBILITY CRITERIA

- Must be a resident of Hardin, LaRue, Meade, Breckinridge, or Grayson Counties
- Must be 18 years of age or older
- Must have a household income of 300% Federal Poverty Level or below.
- A full time student (12 credit hours per semester minimum) or
- Receiving disability income without medical coverage

ELIGIBILITY SCREENING BY APPOINTMENT ONLY

What is needed for eligibility screening:

- Photo ID
- Proof of current residency (home address)
- Proof of household income
 - Previous month paystubs
 - Disability award letter
 - Unemployment paystubs
 - Child support
 - Food stamps will NOT be used as proof of income
 - Unemployment applicant will be required to bring in an Earned Income Statement provided by the Office of Employment Services Community Based Services.
- Most recent tax return OR if taxes were not filed a Form 4506-T Request for Transcript of Tax Return will need to be signed.
- Medicaid Denial Letter
- List of Current Medications

OFFICE VISITS

Appointments are given for both initial and follow-up visits. The appointment indicates the time patients are expected to arrive for triage, not the time they will be seen by the physician. Our physicians and other providers are professional volunteers who donate their time to see our patients free of charge.

The clinic does not provide any of the following services:

- Pharmacy services to non-client patients
- Dispensing of narcotics
- Physical exams for the purpose of employment, school, sports, or Workers Compensation claims
- The clinic does not assume financial responsibility for medical expenses incurred as a result of recommended diagnostic procedures, treatment, or evaluation.
